MEMORANDUM FOR: Associate Deputy Director for Intelligence
THROUGH: Director of African and Latin American Analysis
FROM: [redacted] STAT
Director, Near Eastern and South Asian Analysis
SUBJECT: Request to Submit Manuscript Written by [redacted] for STAT
Nonofficial Publication

1. The appropriate officers in NESA and I have reviewed [redacted] STAT
draft and find no classified information within it. In the few cases in an
earlier draft where we had questions concerning classification, [redacted] has STAT
provided satisfactory answers.

2. I have talked to [redacted] concerning my personal view that it is STAT
inappropriate to publish an article on the outside which is clearly a spin-off
of research that was done for an office publication. I believe that
[redacted] understood my strong concern on this matter, but she was also STAT
informed that this was my view and it was not sufficient to deny outside
publication if she opted to go forward -- which she now has.

3. Thus, I find no reason to deny publication of this article outside
the Agency, and I reluctantly recommend that you approve.
